

British Values at Tarvin Primary School

We follow the rules and learn about laws:

As a class and as a school;
With guidance from our Junior Safety Officers;
By following the school rules of being Ready, Respectful and Safe;
From visitors such as the police;
Through messages in assemblies;
In our PSHE lessons.

We show mutual respect by:

Having good manners and listening to one another;
Following our school rules of being Ready, Respectful and Safe;
Being kind, caring and good friends;
Treating others nicely, recognising that we are a team;
Showing good sportsmanship when we play in competitions

We promote personal liberty by:

Expressing our opinions in a safe environment;
Listening to suggestions on how to improve our school;
Being respectful of the ideas and thoughts of others;
Understanding our human rights and using them safely;
Celebrating individual, team and school achievements.

We respect all faiths by:

Learning about different religions;
Visiting different places of worship;
Welcoming visitors to school;
Discussing and debating religions, and linking aspects to our own lives.

We are a democratic school because:

We make decisions every single day, and take responsibility for our choices;
Our governors help to run our school;
We vote for certain responsibilities;
We are involved in making decisions about our school;
We choose our next steps in learning.
